

## GRANT FUNDING SOURCES

The city regularly monitors & pursues local, state, & federal grant opportunities to help fund the planning, design, & construction of critical infrastructure & capital projects. Some sources of grant funding that the city pursues include:

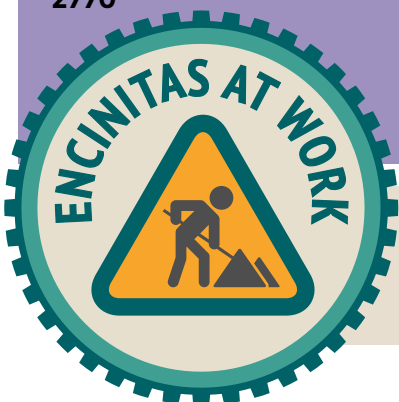

- Active Transportation Program (ATP) Grants
- Cal OES Hazard Mitigation Grant Program (HMGP)
- Caltrans Highway Bridge Program (HBP) Grants
- Consolidated Rail Infrastructure & Safety Imp. (CRISI) Grants
- Federal Community Development Block Grant (CDBG) Funding
- Federal Highway Administration (FHWA) Grants
- Federal Railroad Authority (FRA) Grants
- Highway Safety Improvement Program (HSIP) Grants
- National Oceanic & Atmospheric Administration (NOAA) - Climate Resilience Grants
- Safe Streets & Roads for All (SS4A) Grants
- San Diego Association of Governments (SANDAG) Grants
- State & Federal Congressionally Directed Spending/Community Project Funding (CDS/CPF)
- State of CA Dept. of Parks & Rec - Office of Grants & Local Services (OGALS) - Specified Grants
- State Water Resources Control Board - Storm Water Grants
- U.S. Dept. of Transportation (DOT) Safe Routes to School (SRTS) Grants and Rebuilding American Infrastructure with Sustainability and Equity (RAISE) Grants

## CONTACT US

For questions or concerns about this Fact Sheet, please contact the City's Engineering Department:

## GRANT FUNDING STRATEGIES

The city employs various strategies to identify grant opportunities and to increase the likelihood of submitting successful applications. Some examples include:

- Fully funding project designs using local funds & obtaining agency approvals to bring capital projects to a "shovel ready" state.

## GRANT FUNDING STRATEGIES

### CONT.

- Demonstrating a history of meeting all grant progress reporting requirements & showing a track record of delivering successful grant funded capital projects and studies.
- Maintaining good standing with agencies & preparing requisite planning documents such as:
  - AAA Financial Ratings
  - Active Transportation Plan (ATP)
  - American Public Works Assoc. (APWA) Accreditation
  - Climate Action Plan (CAP)
  - Coastal Mobility & Livability Study (CMLS)
  - FEMA Maps and Studies
  - Infrastructure Task Force (ITF) Project Prioritization List
  - Local Roadway Safety Plan (LSRP)
  - Master Plans (Sewer, Trails, etc.)
  - Modal Alternatives Project (MAP) Implementation Plan
  - Rail Corridor Cross-Connect Implementation Plan
  - Regional Watershed Studies
  - State Certified Housing Element
  - Vision Zero Initiative

## CURRENT GRANT-FUNDED

### PROJECTS

#### Caltrans/D.O.T. Grants:

- \$996,000 for Eastern Phase of Santa Fe Dr Corridor Imp. Project
- \$1.43 million for Citywide LPI Project
- \$548,000 for Citywide Ped. Crossing Upgrades Project
- \$350,000 for S101 Ped. Crossing at Solana Beach Project
- \$1.67 million for S101 East Side Sidewalk & Bike Imp. Project
- \$443,000 for Protected Intersection at S ECR & Santa Fe Dr Project
- \$801,000 for Encinitas Blvd Protected Bike Lane Project
- \$1.3 million for San Elijo Bridge Rehab. Project

#### Congressionally Directed Funding Grants:

- \$4 million for N101 Drainage Imp. Project
- \$850,000 for Leucadia Blvd Roundabout at Hygeia Ave Project
- \$3.09 million for Santa Fe Dr Corridor Imp. Project

#### Other Program Grants:

- \$600,000 for Orpheus & Wiro Park Playground Replacement Projects
- \$93,000 for Annual Pavement Rehab. Project
- \$123,000 for Microtransit Study
- \$50,000 for Microtransit Study
- \$1.2 million for La Costa Ave Ped. Path Project

## Capital Projects Grant Updates

*\*Grant Updates Include Applications Since 2020\**

*\*Recent Updates are Highlighted Yellow\**

### PENDING APPLICATIONS

<p><b>APPROVED</b></p> <p><b>Pending Application Submittal</b></p>	<p><b>SANDAG - California Coastal Commission’s Public Recreation Beach Impact Mitigation Fund: Beach Staircase Access Refurbishment (Swami’s) (CP26A) Project</b></p> <ul style="list-style-type: none"> <li>City Council authorized submitting a request for funding in the amount of \$104,140 through the California Coastal Commission’s Public Beach Impact Mitigation (PRBIM) Fund on August 13, 2025 (<a href="#">Staff Report</a>)</li> <li>Staff presented the project at SANDAG’s Shoreline Preservation Working Group’s September 4, 2025, meeting, and it will now move forward to SANDAG’s Regional Planning Committee’s October 3, 2025, meeting for consideration</li> </ul>
<p><b>APPLIED</b></p> <p><b>Pending Result</b></p>	<p><b>Cal Recycle - FY 2025-26 Rubberized Pavement Grant Program: FY 2025-26 Annual Pavement Rehabilitation (CS26A) Project</b></p> <ul style="list-style-type: none"> <li>Staff submitted a preliminary application on September 10, 2025, requesting \$132,825 in grant funds for the FY 2025-26 Annual Pavement Rehabilitation (CS26A) Project</li> </ul>
<p><b>APPLIED</b></p> <p><b>Pending Result</b></p>	<p><b>FY26 Federal Community Project Funding (CPF) (Rep. Levin): N Coast Hwy 101 Drainage Improvements Project</b></p> <ul style="list-style-type: none"> <li>Staff requested \$4 million in federal funds through Rep. Levin’s call for projects on April 18, 2025, to help fund the construction of approximately 5,000ft of new 60” storm drain line from Basil St to Jupiter St as the drainage component of Segment B of the Leucadia Streetscape Project</li> <li>Rep. Levin has included this request as one of their FY26 CPF requests to the House Committee on Appropriations (<a href="#">See Rep. Levin’s FY26 Requests</a>)</li> </ul>
<p><b>APPLIED</b></p> <p><b>Pending Result</b></p>	<p><b>FY25 Federal Community Project Funding (CPF) (Rep. Levin): N Coast Hwy 101 Drainage Improvements (CD23A) Project</b></p> <ul style="list-style-type: none"> <li>Staff requested \$2.4 million in federal funds through Rep. Levin’s call for projects to help fund the construction of the N Coast Hwy 101 Drainage Improvements (CD23A) project</li> <li>Rep. Levin included this request in a scaled down amount (\$850,000) as one of their FY25 CPF requests to the House Committee on Appropriations</li> </ul>

### AWARDED GRANTS

<p><b>AWARDED</b></p> <p><b>Pending City Council Grant Acceptance</b></p>	<p><b>SANDAG – Smart Growth Incentive Program (SGIP) - Cycle 6: La Costa Avenue Pedestrian Path (CS24C) Project</b></p> <ul style="list-style-type: none"> <li>City Council authorized submitting a grant application on March 19, 2025 (<a href="#">Staff Report</a>) <ul style="list-style-type: none"> <li>City Council directed staff to apply for the La Costa Avenue Pedestrian Path Project after reviewing other potential capital projects, including the Santa Fe Dr Corridor Improvements (CS19E) Project - Eastern Phase and the Leucadia Blvd Roundabout at Hygeia Ave (CS18B) Project</li> </ul> </li> <li>City Council adopted a resolution committing to a \$100,000 local match if the grant is awarded on April 23, 2025 (<a href="#">Staff Report</a>)</li> <li>Staff submitted a \$1.2 million request for the <b>La Costa Avenue Pedestrian Path Project</b> on April 11, 2025</li> </ul>
---	--

	<ul style="list-style-type: none"> <li>The city learned that this grant award has been recommended for full funding on August 29, 2025. SANDAG will consider the proposed funding recommendations at a Board of Directors meeting in October 2025, and grant agreements are anticipated to be executed in Winter 2025-26.</li> </ul>
<p><b>AWARDED</b></p> <p><b>Pending City Council Grant Acceptance</b></p>	<p><b>Caltrans - Highway Safety Improvement Program (HSIP) - Cycle 12: Encinitas Blvd Protected Bike Lane &amp; Capacity Enhancements (CS25D) Project</b></p> <ul style="list-style-type: none"> <li>Project Limits: Encinitas Blvd from Calle Magdalena to Via Cantebria</li> <li>City Council authorized submitting a grant application on August 28, 2024 (<a href="#">Staff Report</a>)</li> <li>The city was awarded this grant project on February 21, 2025 (<a href="#">Cycle 12 Awarded Projects List</a>)</li> <li>Awarded \$801,360 in state funds with a 10% local match (\$89,040)</li> <li>Staff plans to return to City Council in <b>October 2025</b> with a request for grant acceptance and approval of matching funds</li> </ul>
<p><b>AWARDED</b></p> <p><b>Pending City Council Grant Acceptance</b></p>	<p><b>Caltrans - Highway Safety Improvement Program (HSIP) - Cycle 12: Protected Intersection at S El Camino Real &amp; Santa Fe Dr (CS25B) Project</b></p> <ul style="list-style-type: none"> <li>Project Limits: El Camino Real from Willowspring Dr to Avenida De Las Adelsas</li> <li>City Council authorized submitting a grant application on August 28, 2024 (<a href="#">Staff Report</a>)</li> <li>The city was awarded this grant project on February 21, 2025 (<a href="#">Cycle 12 Awarded Projects List</a>)</li> <li>Awarded \$442,800 in state funds with a 10% local match (\$49,200)</li> <li>Staff plans to return to City Council in <b>October 2025</b> with a request for grant acceptance and approval of matching funds</li> </ul>
<p><b>AWARDED</b></p> <p><b>Pending City Council Grant Acceptance</b></p>	<p><b>Caltrans - Highway Safety Improvement Program (HSIP) - Cycle 12: S Coast Highway 101 East Side Sidewalk &amp; Bike Improvements (CS25E) Project</b></p> <ul style="list-style-type: none"> <li>Project Limits: East Side of South Coast Highway 101 from City Limits with Solana Beach to the North Cardiff State Beach Driveway (North of Las Olas Restaurant)</li> <li>City Council authorized submitting a grant application on August 28, 2024 (<a href="#">Staff Report</a>)</li> <li>The city was awarded this grant project on February 21, 2025 (<a href="#">Cycle 12 Awarded Projects List</a>)</li> <li>Awarded \$1,676,610 in federal funds with a 10% local match (\$186,290)</li> <li>Staff plans to return to City Council in <b>October 2025</b> with a request for grant acceptance and approval of matching funds</li> </ul>
<p><b>AWARDED</b></p> <p><b>Pending City Council Grant Acceptance</b></p>	<p><b>Caltrans - Highway Safety Improvement Program (HSIP) - Cycle 12: S Coast Highway 101 Pedestrian Crossing at Solana Beach (CS25F) Project</b></p> <ul style="list-style-type: none"> <li>Project Limits: South Coast Highway 101 at Harbaugh Seaside Trails</li> <li>City Council authorized submitting a grant application on August 28, 2024 (<a href="#">Staff Report</a>)</li> <li>The city was awarded this grant project on February 21, 2025 (<a href="#">Cycle 12 Awarded Projects List</a>)</li> <li>Awarded \$349,920 in state funds with a 10% local match (\$38,880)</li> <li>Staff plans to return to City Council in <b>October 2025</b> with a request for grant acceptance and approval of matching funds</li> </ul>
<p><b>AWARDED</b></p>	<p><b>U.S. Department of Energy (DOE) - Energy Efficiency &amp; Conservation Block Grant (EECBG) Program: Microtransit Program Study (WC23C)</b></p>

<p><b>Study is Underway</b></p>	<ul style="list-style-type: none"> <li>• The city was allocated \$122,780 through EECBG’s block grant formula</li> <li>• City Council authorized application on February 14, 2024 (<a href="#">Staff Report</a>)</li> <li>• Staff received approval of technical assistance voucher on March 29, 2024</li> <li>• City Council authorized the acceptance of this grant award and authorized execution of a Cooperative Research and Development Agreement (CRADA) with the Alliance for Sustainable Energy, LLC on December 18, 2024 (<a href="#">Staff Report</a>)</li> <li>• Federal funding was temporarily frozen in early 2025, but in Spring 2025 the funds became available, and the city executed a CRADA to begin work</li> <li>• Study is underway and is anticipated to be completed by Spring 2026</li> </ul>
<p><b>AWARDED</b></p> <p><b>Study is Underway</b></p>	<p><b><u>San Diego Community Power (SDCP) Member Agency Grant Program: Microtransit Program Study (WC23C)</u></b></p> <ul style="list-style-type: none"> <li>• City Council authorized application on March 27, 2024 (<a href="#">Staff Report</a>)</li> <li>• This grant program is administered by the University of San Diego (USD) through the San Diego Regional Climate Collaborative</li> <li>• The city was awarded \$50,000 through this program on May 8, 2024</li> <li>• City Council authorized the acceptance of this grant award and authorized execution of a Grant Agreement on December 18, 2024 (<a href="#">Staff Report</a>)</li> <li>• Study is underway and is anticipated to be completed by Spring 2026</li> </ul>
<p><b>AWARDED</b></p> <p><b>Design is Underway</b></p>	<p><b><u>Caltrans - Highway Bridge Program (HBP): San Elijo Bridge Rehabilitation (CS23F) Project</u></b></p> <ul style="list-style-type: none"> <li>• City Council authorized the acceptance of \$1.308 million of federal funding and \$150,000 in matching funds on June 14, 2023 (<a href="#">Staff Report</a>)</li> <li>• The San Elijo Bridge is on Caltrans’ list to receive \$200,000 for preliminary engineering (design) in FY25-26. Additional grant funding would be approved in future fiscal years</li> <li>• The total grant award amount is \$17,082,400 with an 11.47% local match requirement</li> <li>• Staff is currently working with Caltrans on next steps</li> </ul>
<p><b>AWARDED</b></p> <p><b>Design is Underway</b></p>	<p><b><u>State of California - Dept. of Parks &amp; Recreation - Specified Grant Funds from Budget Act 2022-23: Wiro &amp; Orpheus Park Playground Replacement (CP23D) Project</u></b></p> <ul style="list-style-type: none"> <li>• Project Limits: Wiro Park (2232 El Camino Del Norte near Rancho Santa Fe Rd) and Orpheus Park (482 Orpheus Ave near N Vulcan Ave)</li> <li>• The city was awarded \$600,000 of state funding for the Wiro &amp; Orpheus Park Playground Replacement (CP23D) project</li> <li>• City Council authorized grant application and acceptance on January 18, 2023 (<a href="#">Staff Report</a>)</li> </ul>
<p><b>AWARDED</b></p> <p><b>Design is Complete, Pending City Council Approval and Construction Funding</b></p>	<p><b><u>FY24 Federal Community Project Funding (CPF) (Rep. Levin): Leucadia Blvd Roundabout at Hygeia Ave (CS18B) Project</u></b></p> <ul style="list-style-type: none"> <li>• Staff received word from the city’s legislative consultant on March 11, 2024, that the city is receiving \$850,000 for the Leucadia Blvd Roundabout at Hygeia Ave (CS18B) project</li> <li>• This funding was signed into law by President Biden (original ask was for \$4.8 million)</li> <li>• Staff is currently working with Caltrans and Rep. Levin’s Office on next steps</li> </ul>
<p><b>AWARDED</b></p> <p><b>Construction on Hold</b></p>	<p><b><u>Caltrans - Active Transportation Program (ATP) - Cycle 3 Augmentation Grant: Santa Fe Drive Corridor Improvements (CS19E) Project - Eastern Phase</u></b></p> <ul style="list-style-type: none"> <li>• The city was awarded \$996,000 of state funding with a \$146,000 local match requirement</li> </ul>

	<ul style="list-style-type: none"> <li>• City Council authorized grant acceptance on August 22, 2018 (<a href="#">Staff Report</a>)</li> <li>• City Council authorized award of a design contract on April 22, 2020 (<a href="#">Staff Report</a>)</li> <li>• City Council authorized Santa Fe Dr Corridor Improvements (CS19E) project scope change and broke the project into two phases (<a href="#">Staff Report</a>)</li> <li>• City Council authorized approval of the plans and specifications for the Eastern Phase of the Santa Fe Drive Corridor Improvements (CS19E) project on May 15, 2024 (<a href="#">Staff Report</a>)</li> <li>• City Council authorized award of a construction contract for the Eastern Phase on August 28, 2024 (<a href="#">Staff Report</a>)</li> <li>• Construction is currently on hold as revisions to the Western Phase of the Santa Fe Drive Corridor Improvements (CS19E) Project are evaluated</li> </ul>
<p><b>AWARDED</b></p> <p><b>Construction is Imminent</b></p>	<p><b><u>Caltrans - Highway Safety Improvement Program (HSIP) - Cycle 11: Citywide Pedestrian Crossing Upgrades (CS23G) Project</u></b></p> <ul style="list-style-type: none"> <li>• Application submitted in September 2022, awarded grant in March 2023</li> <li>• Awarded \$548,820 with a 10% local match (\$60,980)</li> <li>• City Council authorized grant acceptance on June 21, 2023 (<a href="#">Staff Report</a>)</li> <li>• Project's intersection locations: <ul style="list-style-type: none"> <li>○ 3<sup>rd</sup> St and B St, Park Dale Ln and Willowspring Dr, Park Dale Lane and Countryhaven Rd, Park Dale Ln and Glen Arbor Dr, Rancho Santa Fe Rd and Lone Jack Rd/11<sup>th</sup> St, Rancho Santa Fe Rd and El Camino Del Norte/Lomas De Oro Ct</li> </ul> </li> <li>• City Council authorized approval of the plans and specifications for the Citywide Pedestrian Crossing Upgrades (CS23G) project on March 26, 2025 (<a href="#">Staff Report</a>)</li> <li>• City Council rejected all construction bids received for this project on May 21, 2025 (<a href="#">Staff Report</a>) and authorized staff to readvertise and rebid the project</li> <li>• City Council authorized award of a construction contract for the Citywide Pedestrian Crossing Upgrades (CS23G) Project on August 13, 2025 (<a href="#">Staff Report</a>)</li> </ul>
<p><b>AWARDED</b></p> <p><b>Construction is Underway</b></p>	<p><b><u>Cal Recycle - FY 2024-25 Rubberized Pavement Grant Program: FY 2024-25 Annual Pavement Rehabilitation (CS25A) Project</u></b></p> <ul style="list-style-type: none"> <li>• City Council authorized grant application on October 16, 2024 (<a href="#">Staff Report</a>)</li> <li>• Awarded \$92,834 of state funding to pave a portion of Leucadia Blvd between Saxony Rd and Garden View Rd with recycled product</li> <li>• City Council authorized approval of the plans and specifications for the FY 2024-25 Annual Pavement Rehabilitation (CS25A) Project on December 18, 2024 (<a href="#">Staff Report</a>)</li> <li>• City Council authorized the acceptance of the Cal Recycle - FY 2024-25 Rubberized Pavement Grant and the award of a construction contract for the FY 2024-25 Annual Pavement Rehabilitation (CS25A) Project on April 9, 2025 (<a href="#">Staff Report</a>)</li> <li>• Construction started in July 2025 and is anticipated to be completed in Winter 2025-26</li> </ul>
<p><b>AWARDED</b></p> <p><b>Construction is Underway</b></p>	<p><b><u>Caltrans - Highway Safety Improvement Program (HSIP) - Cycle 10: Citywide Leading Pedestrian Intervals (LPI) (CS22B) Project</u></b></p> <ul style="list-style-type: none"> <li>• The city was awarded \$1,234,500 of state funding to install leading pedestrian interval (LPI), traffic signal system upgrades for LPI operations, and high visibility crosswalk striping at 48 intersections throughout Encinitas</li> <li>• City Council authorized grant application on September 23, 2020 (<a href="#">Staff Report</a>)</li> <li>• City Council authorized award of a design contract on June 14, 2023 (<a href="#">Staff Report</a>)</li> </ul>

	<ul style="list-style-type: none"> <li>• City Council approved the procurement of signal equipment for the project, which will help prevent delays at the start of construction due to long lead times for signal equipment, on February 14, 2024 (<a href="#">Staff Report</a>)</li> <li>• City Council authorized approval of the plans and specifications for the Citywide LPI (CS22B) Project on June 26, 2024 (<a href="#">Staff Report</a>)</li> <li>• City Council authorized award of a construction contract for the Citywide Leading Pedestrian Intervals (LPI) (CS22B) Project and accepted an additional \$200,000 of state grant funding on November 13, 2024 (<a href="#">Staff Report</a>)</li> <li>• Construction started in May 2025 and is anticipated to finish in Fall 2025</li> </ul>
<p><b>AWARDED</b></p> <p><b>Construction is Underway</b></p>	<p><b><u>FY22 Federal Community Project Funding (CPF) (Rep. Levin): N Coast Hwy 101 Drainage Improvements (CD23A) Project</u></b></p> <ul style="list-style-type: none"> <li>• The city was notified by the U.S. Dept. of Housing &amp; Urban Development (HUD) on January 6, 2023, that they will receive \$4 million of federal funding</li> <li>• City Council authorized grant acceptance on September 13, 2023 (<a href="#">Staff Report</a>)</li> <li>• Project is paired with the Leucadia Streetscape Segment C West (CS23D) project that began construction in February 2024</li> <li>• Project completion anticipated in Summer 2026</li> </ul>
<p><b>AWARDED</b></p> <p><b>Construction Partially Complete, Eastern Phase on Hold</b></p>	<p><b><u>FY24 State Congressionally Directed Spending (CDS) (Sen. Blakespear): Santa Fe Dr Corridor Improvements (CS19E) Project</u></b></p> <ul style="list-style-type: none"> <li>• This state funding can be used on both the Western and Eastern Phases of construction of the Santa Fe Dr Corridor Improvements (CS19E) Project</li> <li>• Construction of the Western Phase <b>interim improvements</b> was completed in April 2025</li> <li>• City Council authorized the filing of the Notice of Completion for the Western Phase <b>interim improvements</b> on May 28, 2025 (<a href="#">Staff Report</a>) and provided direction to staff on modifications to construct to complete the Western Phase with a future construction contract</li> <li>• Construction of the Eastern Phase is currently on hold as revisions to the Western Phase of the Santa Fe Drive Corridor Improvements (CS19E) Project are evaluated</li> </ul>
<p><b>COMPLETED GRANTS</b></p>
