

PARA ASISTENCIA EN ESPANOL, POR FAVOR LLAME AL 760-943-2150

The City of Encinitas  
would like to invite you to attend a:

**Community Input Meeting**  
**Park Equipment Replacement - Wiro Park**

This proposed project is located at Wiro Park, 2232 El Camino Del Norte, in the community of Olivenhain. The project proposes to replace the park's existing playground equipment with new playground equipment. The project will also replace the playground's sand and poured-in-place rubber ground cover with a rubberized play surface. Lastly, the playground's drainage will be investigated for potential improvements.

During the meeting we will discuss the current state of the park's proposed playground layout and equipment and how they were selected. You will have the opportunity to ask questions and provide comments. The information provided during this meeting will be documented in a report and considered for any potential park layout and equipment changes before presenting the project to the Parks & Recreation Commission for approval.

We are looking forward to meeting you and discussing any concerns or questions you may have regarding the proposed project. If you are unable to attend the meeting or have questions or comments prior to the meeting, please contact the Project Manager, Carlos Baldenegro, by email at [cbaldenegro@encinitasca.gov](mailto:cbaldenegro@encinitasca.gov), by phone at 760-633-2763, by mail at 505 South Vulcan Avenue, Encinitas, CA 92024, or through our online comment form accessible via the QR code below.

Please join us on:

**Thursday May 28, 2026**

**6:00 PM - 7:30 PM**

**City Hall Poinsettia Conference Room**
