

NOTICE OF PUBLIC COMMENT OPPORTUNITY

CITY OF ENCINITAS

2026 UPDATES TO THE 2023 STORMWATER BMP DESIGN MANUAL

Public Notice is hereby given for an opportunity to provide public comment on the 2026 Updates to the 2023 City of Encinitas Stormwater BMP Design Manual. Comments will be accepted now through June 30th, 2026 at 5:00pm.

The purpose of the Stormwater BMP Design Manual to assist the professional design community and the general public regarding the City's standards, guidelines, and requirements for Stormwater BMP Design. This document is issued in compliance with the San Diego Regional Water Quality Control Board's National Pollutant Discharge Elimination System (NPDES) Permit.

The proposed redlined text of the 2026 updates to the 2023 Stormwater BMP Design Manual is available at City Hall, 505 South Vulcan Ave, Encinitas, CA 92024 and online at the City website under Engineering Public Notices or at this URL:

<https://www.encinitasca.gov/government/departments/applications-and-information/engineering-design-manual>

Please provide comments via the comment form located on the website link above, or email to bstryker@encinitasca.gov for consideration by City Staff. Written comments may also be sent to:

City of Encinitas
Attn: Ben Stryker
505 S. Vulcan Ave
Encinitas, CA 92024

For further information, please contact the Engineering Department at 760-633-2770.
